

Checked out
the VA32 website recently?

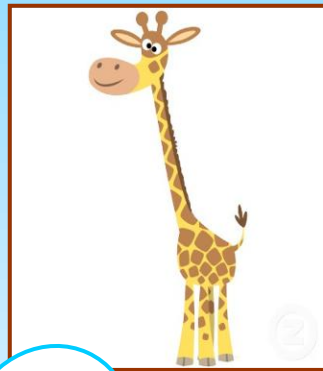

Seen our new gallery?

but there's something missing!!!

Where are the lions?!

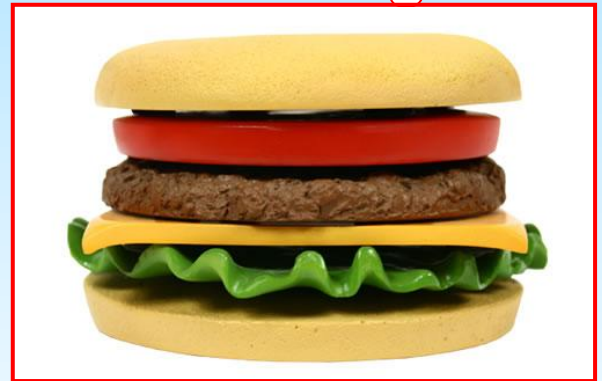

the giraffe?

the bush camps?

&...the burgers?!

Unfortunately we office cats have been just that recently...we've been stuck in the office!!!

So now, WE NEED YOUR HELP!

Do you have any awesome photos from your time on project? Of the animals, of you & your fellow vollies, of the camp & (of course) of the parties?!

Are you willing to share them with other past volunteers, perspective volunteers & the world at large?

Then please send them our way & help us to build the Conservation Project gallery!

E-mail your contributions to info@volunteer africa.co.za All images must be sent by June 1st 2010.

By sending your images you agree for them to be used in future VA32 promotional materials & publications. Can't wait to hear from you!
