# Newsflash

## Bulugha Hits Durban

Bulugha Farm School went on their annual trip to Durban this year. The weather wasn't great but they all had an amazing time exploring Kwa-Zulu-Natal

## Goodbye & Thank you Tammy

After 6 months, volunteer Tammy Raymond is returning to Canada. Tammy has been an incredible asset to the project and implemented so many creative initiatives. The children of Chintsa and VA32 would like to say a big thank you and that we will miss you from the bottom of our hearts!

## Chintsa Labs' New Look

A big thank you to volunteers Tammy, Christine and Rita for giving up their holidays and sprucing up the computer lab in Chintsa. Three walls needed some care since a welcome sign was painted late last year. You worked tirelessly, with limited equipment and some left over paint, and did a fantastic job.

## Our 'Eco' Schools

Lets celebrate the successes of our schools participation in the Eco-Schools programme. This year:

- \* Chintsa has finally gained the Gold Award after maintaining their Green Flag for 2 years
- \* Bulugha rejoined the programme this year after opting out for the last few years and were awarded Green Flag status
- \* Silatsha Public School is new to VA32 and in their first year as an Eco-School really pushed the boundaries reaching Silver Award in only one year.
- \* Nkwezana maintained their International Green Flag status this year.

Well done to all the school and we hope you continue your amazing environmental work throughout 2010.

## Christmas Party, Yeah!

Ho ho ho! Each school will be having their Christmas party later this month. As usual Chintsa will be supported by the Chintsa Ladies Association, Bulugha again by Buccaneers and for the first time Ngxingxolo is being treated by some other lovely ladies in Chintsa. VA32 has helped coordinate all the support and our volunteers will be running games and other activities throughout the day.

## Each child eats every school day!

In an area of outstanding natural beauty, where the fortunate build their holiday homes, it is unbelievable that a child would faint in school through hunger, isn't it?

Through the support of VA32, international donors

and the Friends of Chintsa every child in Chintsa who attends the public school can eat a good, freshly made and filling meal.

Please help us keep this feeding scheme running by raising GBP5 per month by going online to

[chintsa.givengain.org](http://chintsa.givengain.org) and donating to the feeding scheme:

GBP5/month = 5 kids fed/month

GBP40/month = pays the cooks

GBP200/month = run the whole scheme for one month
